

Verification of Employment/Income(VOE/VOI) Requests

The Office of Human Resources with the Grant Parish School System is dedicated to protecting our employees' information. For this reason, we use Verifent to confirm verification of employment and/or verification of income (VOE/VOI) requests are legitimate, and a permissible purpose exists as defined by the Fair Credit Reporting Act (FCRA). Verifiers seeking employment and/or income information for a Grant Parish School Board employee current or former must submit VOE/VOI requests through Verifent:

To Submit a Request:

1. Log in at <https://www.verifent.com>. Please note that new Verifent users will need to register and create an account before proceeding.
2. When prompted, enter the organization code for Grant Parish School Board (GPSB): BFD633
3. Please be prepared to provide the GPSB employee's date of birth and the last four digits of the social security number. Additionally, uploading proof of consent, signed by the employee, is required to complete a request.
